

2017 sees the World Archery 3D championships being hosted in Robion France between the 19th and 24th September

3D archery has grown in popularity over the last few years with thousands of participants across Europe and the rest of the world competing in this style of Archery

To recognise this growth and to identify UK archers that would be competitive on the world stage the Field Archery committee sought a club to host a single UK selection shoot to find the top archers in the UK to represent the country at this event.

Qualification scores were benchmarked on the 16th position from the previous European championships scores to ensure that UK participants would be representative of globally achieved scores

The selection event was hosted by Pentref Bowmen in Rhondda, Wales. The committee is grateful to the investment made and the support given by the club in delivering this event.

Archers from across UK competed for awards and positions on the team in the categories of Compound Unlimited, Barebow, Instinctive and World Archery Longbow (includes American Flat Bow)

The archers that have been selected and accepted positions on the team are;

Victoria Duncan
Tom Duncan
Gary Cole
Luke Wiseman
Jessica Nilsson
Jason Meehan
Mel rawlings
Ollie Hartfield
Amelia Thomas
Michaela Lake
Lesley Sleight
James Kent
Emily Williams
Anna Catling
Beth Duthie
Richard Powell
Alex Newnes
Steve Burke

The team will be supported by Team Managers Gloria Mead and assisted by Gerald Farrell

The Field Archery Committee
