1. Each Nation shall field a team of one each of the following disciplines (in order of seniority). Compound Unlimited (CUL), Compound Limited (Cltd), Recurve (RC), Compound Barebow (CBB), Barebow (BB), Traditional (Trad), Longbow (LB).
2. Each team must have at least one Male or Female.
3. Juniors may be members of the team providing they shoot from the senior peg for their discipline.
4. The names of all team members must be submitted to the tournament organiser by the published closing date and by the recognised Field Liaison Officer for that Nation.
5. If a nation is unable to place a discipline, an archer can be pulled in from a lower listed discipline. E.g. If Wales is unable to find a Cltd they can put in an extra RC. However, if a Cltd turns up on the day from that Nation there will be a forfeit.
6. If due to illness/bereavement etc (i.e. a serious problem) a named team member cannot shoot, all the recognised Field Liaison Officers for the Nations will meet and come to a mutual agreement.
7. The total of all seven scores count as the system allows 7 styles and a system to cover any absence in a style.
8. Gold medals will be awarded to all members of the winning Nation. Nothing for other placings.
