### *The Shooting*

The Championships will be shot over a mixed course of unmarked and marked targets shot to FITA Tournament Rules, the course will consist of 12 targets. Shooting will be continuous each day over the 12 targets, with a break for lunch. Shooting groups will be allocated for the first day by ballot, adjusted as necessary, with a possible reallocation for the second day by order of scores. In accordance with FITA rules, searches for lost arrows must not delay shooting groups, such arrows should be sought on completion of shooting. If archers will note where their arrows were lost, a work-party may assist in a search for them after shooting.

**ALL LOST ARROWS MUST BE REPORTED TO THE TOURNAMENT ORGAINSER ON THE DAY, AFTER THAT DAY'S SCORING HAS BEEN COMPLETED.**

### *Eligibility*

Titles, awards and records. Archers are only eligible for those classes in which they are entered.

Please note that to be awarded a 'Champion' trophy and title at least 2 competitors must have entered the class. If there is only one entrant in a class s/he will only be eligible for a Society medal.

The following classes are recommended to shoot as below. They will then be eligible for Society medals, *however to be eligible for the Championship title and trophy the junior must shoot from the senior peg colour for his/her discipline i.e. sighted archers from the red posts and unsighted from the blue posts.*
