Our thanks go to the work party who worked very hard and tirelessly throughout the competition and the week leading up to the competition, without these volunteers the shoot would not have been the success that it was. The weather on Saturday gave them an extra challenge which they rose to with enthusiasm and good humour. Again, thank you.

Our thanks also go to the ever hard working girls in the kitchen for keeping the archers and work party fed and watered throughout the weekend. They worked very hard and their hard work is greatly appreciated.

Last, but not least, thank you to all the archers who turned up and shot the championships, we hope that you all had a good time and will come back to Pentref in the future.
