

The Chris Farr Memorial Shoot 2017

4th and 5th March 2017

UK Record Status shoot

Hosted by Pentref Bowmen

Venue:

The Glyncornel Centre, Llwynypia, R.C.T., South Wales.

Lady Paramount: Miss Jan Howells, Club Chairman

Chairman of Judges: Mr Peter Turner

Judges panel: Mr Kevin Bridgman, Mrs Pam Tonkin, Ms Susan Richards, Mr Griff Morgan

The competition was not as well attended as previous years due to a clash in dates with another field shoot in the North of England, despite that though it was delivered smoothly. There were no major incidents reported and no injuries sustained which needed First Aid treatment. The conditions under foot were poor in places, but overall the course designers did an amazing job in keeping everyone on their feet.

The weather on the Saturday was showery but Sunday was dry. Despite that, no injuries were sustained as a result of any falls on the course.

Pentref Bowmen would like to thank it's members who constructed the course for the weekend, also the competitors who helped to carry the course back to the club house at the end of Sunday's shooting. It is very much appreciated.

Pentref Bowmen would also like to thank the kitchen volunteers for their tireless work and excellent fare yet again
